I. INTRODUCTIONS

As we kick off the new school year, we take this opportunity to share the many resources SIA provides to our members. Please share this invite with those in your organization who will benefit from this review of SIA services.

II. SIA UPDATES

SIA Website Review

Konarski

The SIA website provides easy access to many resources and tools for our district members. SIA Prevention Services Director, Lisa Konarski, will provide an overview of the website and highlight some of the features.

Certificates of Insurance

Costamagna

A Certificate of Insurance (COI) is a document that provides proof of an organization's insurance coverage. COIs are often required in business transactions or contracts to verify that the necessary insurance is in place. SIA Risk Manager, Joe Costamagna, will discuss SIA's process and requirements for requesting COIs.

SIA Forms

Serran

To ensure the best protection for your district, it is essential that you use the proper forms for student activities, use of facilities, transportation, and more. SIA Risk Manager, Jennifer Serran, will provide detailed information about SIA's waivers and incident report forms, when to use and how to retain them.

Legal Services Hotline

Eyres

SIA provides our members with a resource for legal advice and guidance when handling personnel and employee disability related questions. Patti Eyres of the Eyres Law Group will present the services her firm provides and how district staff can obtain their assistance. We will also learn about the webinars they provide.

III. ADJOURNMENT
